WORK EXPERIENCE

Web Developer-Internship
Intuit Solutions

📅 August 2021 - April 2022   📍 khairtal(Remote location)

- Create website layout/user interface by using standard HTML/CSS practices.
- Write well designed, testable, efficient code by using best software development practices.
- Integrate data from various back-end services and databases.
- Gather and refine specifications and requirements based on technical needs.
- Create and maintain software documentation.
- Be responsible for maintaining, expanding, and scaling our site.
- Stay plugged into emerging technologies/industry trends and apply them into operations and activities.

Junior SEO - Link Building – Remote
Intuit Solutions

📅 Feb 2021 - July 2021   📍 Khairtal (Remotely)

- Not only backlinks come from websites that are well-respected and have high domain authority, but they must also come from web pages that have content relevant to our company.
- Develop monthly link building reports to communicate what backlinks were generated and how they affected search ranking.
- Implement SEO strategies to improve a website's organic rankings to grow site traffic.
- Work with SEO team to develop backlinks dashboard to measure growth and quality of backlinks.
- Implement backlink plans & measurable actions.
- Strategize, coordinate, build, execute, monitor, report, and analyze link-building campaigns.
- Find new opportunities for relevant, local backlink sources.
- Stay up to date on new link-building strategies and regularly contribute new tactics and ideas to the team
